Dear Mr. Weisberg:

The Archivist, Dr. Robert H. Bahmer, is out of town today. Before leaving yesterday he instructed me to acknowledge the receipt of your letters of May 26 and 27, 1966, addressed to me. We shall send you a further reply as soon as I can complete a search for the information in which you are interested.

We appreciate your kind remarks about the National Archives and its staff.

Sincerely yours,

Marion M. Johnson
